Dear Ms. Brady,

Thank you for your assistance with navigating the FEC web-site to find the information I needed.

I have, today, filed amendments to our April quarterly and July quarterly reports to reflect the proper names of all political action committees we received contributions from this year. I believe I have them all done correctly.

I will also be checking our October quarterly report which was filed last week to see if any of the committee information is incomplete. I will file an amendment to that report if necessary.

Again, thank you for your assistance.

Sincerely,
